

Neck Gaiters

Mission EnduraCool Neck Gaiter -MNGOS

- MULTI FUNCTIONS: Wear 12+ ways as a Neck Gaiter, Face Mask, Headband, Head wrap, Bandana and more.
- ULTRA-LIGHTWEIGHT: Constructed of thin, soft, lightweight, stretchy fabric.
- PROTECTION: Shifting the Gaiter to cover the face, it can serve as protection against wind, dust, and debris.
- COOLS INSTANTLY: When activated with water, it cools to 30 degrees below average body temperature in under 30 seconds. It activates quickly in 3 easy steps: Wet it, Wring it out, and Snap it.
- KEEPS COOL FOR HOURS: The Gaiter stays cool for up to 2 hours so that you can comfortably stay active longer. To reactivate, just re-wet and snap.
- SOFT: Wet or dry the Gaiter is always soft and comfortable next to the skin.
- CHEMICAL FREE & UPF 50: It is machine washable and reusable with permanent chemical-free fabric technology that will never wash out. It also provides UPF 50 protection from the sun.
- Available in Black and Blue.
- Volume Discounts Available.
